

You Can Make a Difference: Sponsor an ASP Child

NOCCS After School Program

The ASP is designed to provide a sense of continuity and belonging for children who need supervised care beyond the regular school day. The program takes place on-site, in the classrooms, playground and gymnasium that the children occupy during the regular school day. The program provides a choice of regular enrichment opportunities, structured art and literacy-based activities, opportunities for outdoor and indoor play, a nutritious afternoon snack, and occasional field trips. ASP staff work closely with teachers on such issues as social skills, mutual respect and discipline.

How to Help:

ASP is looking for individuals or groups who would like to sponsor a child or family during the academic school year. With the generous donations of others, ASP is able to coordinate and provide services for families and children in need. Sponsors may select a family of any size to sponsor or may donate specifically to the ASP scholarship fund.

NOCCS is a 501 (c)(3) nonprofit organization and all donations are tax-deductible. We thank you for your support!

NOCCS' mission is to offer a caring, educationally challenging, standards-based learning environment that respects the natural intelligence and curiosity that children bring to learning.

Cut on line and keep top portion for your records.

ASP SPONSORSHIP FORM

I want to make a difference for children! Any size donation is appreciated.
